
Title: Tangled Tales

Author: Unknown

Once upon a time, in a
strange land far away,
there was a wizard's
apprentice. His master,
Eldritch, sent him on
three quests, knowing he
would learn his lessons
best with the real world
as his classroom. He
encountered many strange
and wonderful things.
Ghouls and griffins stood
in his way, and ghosts
and giants as well. But
he also found new
friends, and brave
adventurers to help him.
He rode on a flying
carpet, and on the back
of a giant turtle.

Finally, after exploring
an abandoned mine, a
pyramid, and a castle in
the clouds, he finished
his third quest. He had
learned so much on his
journeys that his master
rewarded him well, and
declared him a wizard in
his own right. He soon
opened a school of his
own, and as the years
passed, and students came
and went, his beard grew
long with years.
